

HOME ENERGY AUDITS AVAILABLE TO SEWARD RESIDENTS AT A REDUCED COST

Home energy audits are available for the reduced cost of \$30 for Install Visits and \$50 for Enhanced Visits from the Center for Energy and Environment. . .

- Install visits help homeowners identify and implement energy savings opportunities in their homes. The visit will include the direct install of energy-saving materials where possible, including high-efficiency showerheads, faucet aerators, door weather stripping, a water heater blanket, programmable thermostats and LED light bulbs.
- Enhanced Visits, in addition to the above, includes a blower door test to check for air leaks, visual inspection of insulation levels with use of infrared camera as weather permits, heating system and hot water heater combustion safety tests and a report to the homeowner on recommended energy upgrades.

To schedule a home energy visit, contact Beth Greeninger at (612) 335-5874 or bgreeninger@mncee.org

The Seward Neighborhood Group offers an energy rebate up to \$200 for homeowners who install energy improvements recommended by the audit. To claim your energy rebate, submit a copy of your energy audit and contractor invoice to SNG housing coordinator Doug Wise at or doug@sng.org or (612) 338-6205, ext. 102.
